Governing Body/Elders

All people in authority in our church are committed to promoting child safety and are aware that they would be committing a criminal offence if they knew of a substantial risk of child sexual abuse and had the power or responsibility to reduce or remove the risk, but negligently failed to do so.¹

The governing body participates in an awareness-raising workshop regarding safety issues at least annually, and conducts an annual self-assessment to identify how we can improve the way we apply the Victorian Child Safe Standards in our organisation.

The governing body makes an annual declaration to CCVT confirming that we comply with the Child Safe Standards or if not, specifying any areas for improvement and what action will be taken, by when, to ensure compliance at a minimum and ideally best practice.

CCVT oversees these declarations.

Safety Contact Person

At least one person is nominated as a Safety Contact person. The name and contact details of the Safety Contact Person are provided at the end of this policy and are widely publicised.

Our Leaders, Staff and Volunteers

All Workers and Leaders are required to agree to the relevant Code of Conduct and to abide by it.

Leaders, staff and volunteers, as well as children and their families, are given the opportunity to contribute to the development of the relevant Code of Conduct.

A person cannot be involved in children's ministry unless they have been screened, completed the required training and signed the Code of Conduct.

All staff and volunteers have a clear description of their role in the form of a position description or short statement.

Recruitment and Screening

We develop selection criteria and advertisements which clearly demonstrate our commitment to child safety, for both paid and unpaid leadership roles.

¹ Further information about the failure to protect offence is available on the [Department of Justice and Regulation website](#).

We actively encourage applications from women, Aboriginal peoples, people from culturally and/or linguistically diverse backgrounds and people living with a disability.

We carry out thorough background checking for both paid and unpaid leadership roles.

All Leaders and Workers aged 18 and over are required to obtain apply for a Working With Children Check prior to commencing involvement with children.

All Leaders and Workers are required to be interviewed and approved by the Senior Minister or other person authorised by the governing body² before commencing their involvement with children's ministry. A Working With Children Check must be obtained before commencing involvement with children's ministry unless the Senior Minister or other person authorised by the governing body approves the person on the basis that the Working with Children Check is pending.

Training and Supervision of People Involved in Children and Youth Ministry

Everyone who is involved in children's ministry must undergo training in child safety, including how to identify, assess, and minimise risks of child abuse, how to detect potential signs of child abuse and how to report any concerns appropriately.

We want all leaders, staff, volunteers, parents/carers and children and others involved with our activities to be willing and able to raise any safety concerns in accordance with our **Child Safety Reporting Procedure**.

We require the Chair of our governing body, the Senior Minister, the Safety Contact Person, and the person responsible for children's ministry to attend a NCCA Safe Church Awareness Workshop before commencing in their role,³ and to attend a refresher workshop every 3 years. Those leaders are responsible for ensuring that *all leaders and workers involved with children's ministry* have also been provided with the following before commencing in their role,⁴ and every 3 years:

- awareness training - either by attending a NCCA Safe Church Awareness Workshop, or completing Child Safe online training; and
- implementation training – covering this policy, our Child Safety Reporting Procedure, and a discussion of how we apply the Victorian Child Safe Standards in our organisation.

We provide ongoing training, supervision and support for all people who are involved in children's ministry.

² With certain exceptions, it is legal to commence working with children provided you have applied for the WWC. The designated person can decide on behalf of the church whether to insist that the person obtains the check before commencing, or whether it is enough to have applied for the check.

³ Where a person is already in one of those positions at the time this policy is adopted, that person will complete a Safe Church Training Awareness Workshop by 30 June 2017.

⁴ This requirement is effective from 30 June 2017.

Responding to Complaints and Concerns

Allegations, concerns and complaints

We work to ensure all children, families, staff, volunteers and others involved with our activities know what to do and who to tell if they are concerned about any behaviour towards themselves or others.

Our church takes all allegations seriously and will investigate where appropriate, in accordance with the CCVT policy on Investigating Complaints of Misconduct.

We will seek guidance from the CCVT Safe Places Coordinator before conducting an investigation.

Reporting

Any inappropriate behaviour will be reported through appropriate channels in accordance with our **Child Safety Reporting Procedure**.

Our Child Safety Reporting Procedure recognises that in Victoria:

- all adults have an obligation to report information to the police if they have a reasonable belief that an adult has committed a sexual offence against a child under 16; and
- any personnel who are **mandatory reporters** must comply with their duties.

Record-keeping and Privacy

We keep records of Working with Children Checks, and of all allegations of abuse and other safety concerns.

All records are securely stored.

We have safeguards and practices in place to ensure any personal information is protected in accordance with the CCVT Privacy Policy.

Risk Management

We have risk management strategies in place to identify, assess, and take steps to minimise child abuse risks in both physical and online environments.

Regular Review

We conduct an annual self-review of safety in our church.

This policy will be reviewed two years and following significant incidents if they occur. We will ensure that families and children have the opportunity to contribute. Where possible we do our best to work with local Aboriginal communities, culturally and/or linguistically diverse communities and people with a disability.
